

CAN YOU GIVE DIRECTLY TO OUR NEIGHBOURS IN NEED?

Amidst cuts in Universal Credit, pandemic-related job losses, and rising costs for rent, fuel and food, it is ever more **difficult to make ends meet** in Cambridge.

Cambridge Solidarity Fund helps to redistribute wealth in Cambridge, the most unequal city in the UK. Since launching in October 2021, we have already **received and disbursed over £3000** in the form of small cash grants of up to £50 to Cambridge residents in need.

We are not a charity, but a non-hierarchical group of volunteers from other community projects, such as Cambridge Community Kitchen. Our finances are all transparent online, at OpenCollective.com/cambridge-solidarity-fund

donate funds for redistribution:

<https://cambridgesolidarityfund.uk/>

...or get in touch with any queries. We're real people, and we're happy to chat! Drop us an email, or leave us a message on 07862 292956 and we'll call back.
